Change email address domain

Please note that this form cannot be used to change the owner of the domain

Change the email address for the domain:

Domain:

Name/authorised signer:

Domain owner or registered contact person

Company or organization:

Only if applicable

New email address domain:

You must already have access to the new email. It cannot be an address on a suspended domain.

Check the first box if you want to **transfer the domain** away from one.com:

- No 60-day transfer lock.* + Send an **Auth ID/transfer code** to the new email address.
- No 60-day transfer lock.*

**When the owner of a gTLD domain is changed, the domain can't be transferred for 60 days. Check a box if you would like to be able to transfer the domain to another host within 60 days.*

To process your request, we require valid identification:

- **Private person:** copy of picture ID of authorised signer(i.e. passport, driver's license or similar)
- **Company/organization:** a registry excerpt, company stamp or this form printed with a letterhead **AND** valid picture ID

I will include the following identification: _____

We only need to see the date of birth, full name, signature and expiry date on your ID - for your safety, please conceal or redact all other information.

Signature and date: _____

Please note that a typed signature is not valid

Please send a [message to our support](#) and attach the signed form.
