Termination Form

Before sending this form, please ensure you have backed up all content on your web space that you'd like to keep, including emails stored on our servers. Please note that prepaid subscription fees will not be reimbursed.

Domain:

Please enter the full domain, including the extension; e.g. domain.com

I request that the subscription for the mentioned domain is permanently deleted with all its content - including emails and databases - immediately.

The domain will automatically expire.

To process your request, we require valid identification of the current owner:

- **Private person:** Copy of valid picture ID (i.e. passport, drivers license or similar)
- **Company/organization:** Registry excerpt, a company stamp or this form printed with a letterhead, **AND** a copy of a valid picture ID of an authorised signee.

We only need to see the date of birth, full name, signature and expiry date on your ID - for your safety, please conceal or redact all other information.

Name/authorised signer:

As registered in our administration

Company/organization:

As registered in our administration

VAT/organization nr:

As registered in our administration

Email address:

As registered in our administration

**Stamp of company
or organization**

Required if company/organization

Signature and date:

Please note that a typed signature is not valid

I also want my domain deleted immediately and released for anyone to register.

If you check this box, you won't be able to transfer the domain.

Please [send a message to our support](#) and attach the signed form.
